CODE UNIVERSITY BERLIN ([HTTPS://CODE.BERLIN/EN/](https://code.berlin/en/))

OCT 2016 - PRESENT (3RD SEMESTER)

## EXPERIENCE

### FACTORY BERLIN - WORKING STUDENT (SOFTWARE ENGINEERING / FOCUS ON FRONTEND DEV.)

BERLIN - FEB. 2018 | PRESENT

*In the role of software engineering student I've had the opportunity to collaborate on internal projects as well as the main project due to be released in November for the community (Alpha version). I've worked with Angular for one month and then transitioned to React. I also made some contributions in the backend (Elixir/Phoenix) updating the tables in the DB (PostgreSQL).*

### SINNERSCHRADER - MOVE PROJECT

HAMBURG / BERLIN | JAN - MAY 2018

*Project to help employees locate one another at SinnerSchrader's Hamburg Office. That was a project in partnership with Code University. The prototype can be found at:*
